About
A Night of Hope Gala

The Night of Hope Gala is an important formal fundraising event that brings our community together to support survivors of abuse and sexual assault. Through the generosity of our sponsors and attendees, the funds raised will directly benefit individuals and families in need in the surrounding 19 counties.

Proceeds from the gala will be used to provide critical client assistance, including help with rent and utilities, ensuring survivors have safe and stable housing. Funding will also support a portion of advocate salaries, allowing our team to continue offering essential services such as crisis support, safety planning, and advocacy.

In addition, funds will help cover operational needs such as food and rent for our office, as well as relocation assistance and hotel stays for clients who need immediate safety. Every dollar raised helps us continue our mission of providing compassionate support and resources to those we serve.
